Come along and try your luck.

Every one wins.

Hempstead Arts

Now in its eleventh year

Each year between 30 and 40 artists exhibit their work in Hempstead Village Hall. All items are for sale at reasonably-modest prices.

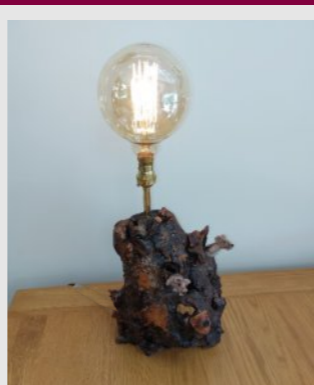

In our first ten years, a total of 140 artists have taken part and we have raised over £25,000. This year about half of the artists are new to Hempstead Arts.

Money raised will be donated to Hempstead Church for the provision of a disabled toilet and redecoration of the Church.

A big thank you to all our artists and helpers that make Hempstead Arts such a success.

When buying from an artist you are buying a lifetime of failures, experimentation, struggle and success.

You're buying a piece of heart and soul. Most importantly, you're buying the artist time to create more.
